

SOFTWARE LICENSE AGREEMENT

IMPORTANT!

READ CAREFULLY BEFORE USING THE SOFTWARE

1. The copyrighted software sold, leased or licensed to Licensee is being licensed by Licensor to Licensee solely for Licensee's use thereof in, and only in accordance with and subject to the terms and conditions of this Agreement. Licensee agrees not to use the Licensed Software other than in, or in support of, its normal use of the Product. The Licensed Software (i) has been developed by Licensor or (ii) constitutes materials ("Licensed Materials") under license(s) with Licensor. Licensee hereby acknowledges that the Licensed Software and Licensed Materials are commercially valuable products of Licensor and the Third Party Licensor(s), respectively, which they each treat as confidential and containing substantial trade secrets, each having invested considerable time, money and effort in the design and development thereof. This Agreement does not provide Licensee with any title or ownership to the Licensed Software or Licensed Materials but only a right of limited use thereof; Licensor and the Third Party Licensor(s) each respectively have sole and exclusive ownership of all right, title and interest in and to the Licensed Software and Licensed Materials, respectively, all modifications and enhancements thereof and all intellectual property relating thereto.
2. Licensee shall not, under any circumstances, by any method or in any manner whatsoever, copy, reverse engineer, decompile or "unlock" the code of the Licensed Software or any portion thereof or disclose the Licensed Software or any portion thereof to any third party.
3. Licensor assumes all responsibility for the selection of Licensed Materials for use as a basis for any of the Licensed Software it developed. Licensee hereby agrees that, subject to any limitations thereon set forth elsewhere in this Agreement, any claims it may have with respect to the use or functioning, or otherwise relating to, the Licensed Software may be asserted only against, and shall be the sole liability, of Licensor (and not of any Third Party Licensor).
